

## KEY PRODUCT RISKS

This document is intended to provide a brief summary of the key product risks only. Please refer to the Plan Terms and Conditions for details and for meanings of capitalised terms.

### **Change of Residency**

You must inform us within thirty (30) days of a change of residency of the Insured Person to a city or country outside of Hong Kong that is proposed to last permanently or for one-hundred-and-eighty-three (183) consecutive days or more. Upon notification, we shall have the right to re-underwrite this Plan, which may result in an extra loading applied to your policy or even policy termination. In case of policy termination, we will refund premium(s) paid for the period in which no cover will be in place without interest.

### **Termination**

This Plan shall be automatically terminated at the earliest occurrence of the following:-

- (a) when all four (4) Multiple Cover Benefits have been paid;
- (b) the death of the Insured Person;
- (c) the Plan Anniversary immediately following the one-hundredth (100<sup>th</sup>) birthday of the Insured Person; and
- (d) the date on which this Plan is cancelled or terminated.

Termination of this Plan shall be without prejudice to any claim arising prior to such termination unless otherwise stated. The payment or acceptance of any premium hereunder subsequent to termination of this Plan shall not create any liability upon us but we will refund any such premium without interest.

### **Our Right to Cancel the Plan**

We reserve the absolute right to cancel this Plan anytime by giving you at least thirty (30) days prior notice. The unearned portion of the premium at the date of cancellation shall be refunded without interest.

### **Product Feature Revision**

We reserve the right to revise the Plan Terms and Conditions upon Renewal by giving you prior notice of at least thirty (30) days.

### **Premium Adjustment Risk**

Standard Premium rates are not guaranteed and are subject to change based on our emerging experience in relation to claims, persistency and expenses and any change in the benefit structure. Therefore, Renewal premiums may be higher or lower than the premium currently reflected.

### **Credit and Solvency Risk**

The payment of benefits under this Plan is subject to our credit and solvency risk. In the event of our insolvency, you may lose the coverage stipulated in this Plan in addition to any premiums you have paid.

### **Inflation Risk**

Due to inflation, the costs of living and medical treatments may rise and the amount of benefit payable may become insufficient to meet the Beneficiaries' future needs even if our full contractual obligations are met. You are advised to consider the likely impact of future inflation when choosing a Sum Insured.
